## 90th Birthday Party for Margaret Farruggia

I hired Matt Snow to be the entertainer for my mother's 90th surprise birthday party.

He did such a wonderful job through the entire party, from the first song when she walked in to the ending song before we walked out. Our guests were sorry that it was over.

He engaged everyone and made it so personal for all of us. My mother said the next day that she felt like she had been in the movies.

Thank you for the beautiful job you and did and I would certainly refer your name to anyone needing an entertainer.
