" Matt Snow was just awesome. He was so accommodating to our schedule and so entertaining to guest.He was the hit of the event along with the Birthday Girl.He went above our expectations.Matt was so personable to everyone present.Listening to him sing I really felt Englebert and Frank was at my side.I will surely have him again and strongly recommend him to my friends. What a great addition to my mother-in laws 92nd Birthday Party,watching her singing along with Matt and that amazing smile on her face all night long.Thank you again. Dr Ron and Julie Vargo "
