A joyous evening!

Matt Snow's performance at our wedding on Sat., May 14, 2016 was amazing. He and his band sounded terrific. Our guests enjoyed themselves tremendously and loved the way Matt engaged them throughout the evening with a wonderful variety of music and with his enthusiastic attitude. It is clear that this performer is passionate about providing a great show and he delivered!. His music appealed to all ages. We had guests as young as 4, teenagers, young adults, and adults in their 30s, 40s, 50s, 60s, and 70s. There was something for everyone and the dance floor stayed busy all evening. I would definitely like to have Matt Snow and his band perform for us again. He is a kind and caring highly talented professional.
