Matt Snow: Strikes a Chord!

Matt was Great! We asked him on very short notice if he could get us out of a jam and he rose to the occasion as if he had been scheduled for months. He was very personable with our clients and extremely professional. He arrived early to set up and started on time. Everyone could hear and see him well. His prices are reasonable and I would definitely hire him again (although this time with a little more planning on my part). His choice of music and his voice recieved excellent reviews after the event, and we were very impressed with his Tux! He receives 10 thumbs up from my clients!
