Dear Matt & Patti,

Thank you so much for your generous support of the Aubrey Rose Hollenkamp Foundation for our 7th Annual "Let's Dance for the Heart of It!" fundraiser. Through the donations, sponsorships and the attendance of over 350 people, our Dance was a huge success financially and socially. Elena and her family, who we helped last year, surprised everyone with their attendance and also Tom Browning and George Wilson came as well. We were able to raise \$50,000 for our "Healing the World's Hearts" program where we can bring a child from within the United States or from around the world to Cincinnati Children's Hospital for open-heart surgery and Aubrey's Foundation will fund this entire operation. We will also be hosting a Holiday Party for the Cardiac Intensive Care Unit on December 18.

Having a child with a life-threatening medical condition is very difficult for any family. The goal of the Aubrey Rose Hollenkamp Foundation is to help in many ways to alleviate the stress that these families get to experience on a daily basis. Without people and businesses like you and your generosity, we could not accomplish our goal. Seeing the smile on a child's face is like getting the pot of gold at the end of the rainbow!

Please feel free to visit our website at www.aubreyrose.org to see what other ways we are able to help those in need. We hope this will put a smile on your face!

We would love to have you join us in planning and volunteering at our different events, please send an email to Nancy@aubreyrose.org.

Please put on your calendar for next year's

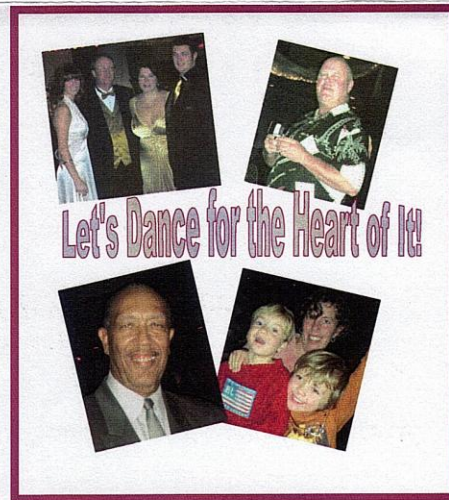

Let's Dance for the Heart of It! - November 14, 2008.

Thank you from the bottom of our hearts and double lungs for partnering with us in this wonderful cause.
