

SUE LINDSEY TESTIMONIAL

Review received on 2-20-2017 at 5:59 pm (PDT)

Matt Did a wonderful job.

Matt Snow came early to our event to set up, do a sound check and get the lay of the land. He was extremely professional and worked well with our events team and the High Low Winery where he performed.

He was extremely personable and connected well with everyone. He was fully engaged in his audience and went above and beyond to play special songs and keep us all entertained. For the cost of his services and the Show business quality we were thrilled with his services. We enjoyed his musical selections and even played a few of my favorite songs.

He was very entertaining, his stage presence was impeccable, the quality of his performance and even his humor made for an enjoyable and memorable event. We would definitely recommend his services and use him again if we needed an outstanding musician.

Many Thanks Matt- Sue Lindsey ValMark Financial Group- Events
