

BILL BURCKARD TESTIMONIAL

Review received on 5/24/2021

Matt made our reception incredibly fun!

Matt made our wedding reception so fun! I knew I was in good hands from the time of our initial planning visit, which he had the experience to guide us through. He gave us ideas about what a great reception usually consists of and definitely wanted our input as well. He set up a complete timeline which really made the evening flow nicely and enabled all the formal stuff to get done all the while entertaining our guests from the kids to the great grandparents! His showmanship was top notch and funnnn. We had a great, smooth time and had a lot of compliments about our GREAT reception that Matt delivered. He was fantastic and I would highly recommend having him entertain at your event!
